

Dr. Shirish Yande

Curriculum Vitae

Name	Shirish Dattatreya <u>Yande</u>
Date of Birth	15.01.1951, Mumbai, India
Sex	Male
Marital Status	Married
Address	“Swabhiman”, 64/18, Erandwane, Pune - 411 004, India.
Phone numbers	Residence +91 20 25431641 Fax +91 20 66455582 / 26162948 Clinic - +91 20 25436733
E Mail	shirishdyande@gmail.com
Professional Website	www.urinaryincontinence.in , www.spineandchild.org
Cell /Mobile Phone	+91 98220 38848
Profession	Urologist
Medical School	The B.J. Medical College, Pune, India
Post Graduate Medical Institute	The B.J. Medical College and Sassoon General Hospitals, Pune, India

Personal profile

Dr. Shirish Yande is a practicing Urologist in Pune, India.

- Consultant Urologist in Pune since the year 1986.
- Director of Academics Department at the Ruby Hall Clinic, Pune, since the 2006.
- Dr. Yande has been working with Ruby Hall Clinic , Pune since 1st November 1991

Special clinical interests

- In-depth study of Lower Urinary Tract Disorders in men and women with expertise in the science of Urodynamics at the national level.
- Passionate for “Neurourology and Urinary Incontinence” and is in a process of setting up a specialised service for these fields, which are scarce in our country.
- Expertise in all aspects of Kidney surgery including Kidney Transplantations. To date, Dr. Yande has performed over 1000 kidney transplant surgeries using live as well as cadaver donors.

Academic career

- Dedicated teacher at all levels of the medical fraternity including medical undergraduate, postgraduate as well as nursing and other medical courses. Dr Yande is a recognized Teacher in Genito-Urinary Surgery at the National Board of Examinations (DNB), Delhi. Dr. Yande is a Professor of Urology at Ruby Hall Clinic, Pune.
- Managing around 26 postgraduate teaching departments at the Ruby Hall Clinic in the capacity of Director of Academics (Education) since the year 2006.

Organisational credentials

- As for organizational effort, Dr. Yande has organized several educational and training activities in Urology at the Zonal and National levels apart from a National Urology Conference in 1992.
- Dr. Yande has been Hon. Secretary and President of the West Zone Chapter of Urological Society of India.

Other interests

- Keen interest in technology, particularly of electrical and mechanical engineering. Dr. Yande's pursuit for the science of Urodynamics as well as of Railway Engineering probably stems out from this aspect of his character.
- Astute student of the science of Astronomy and is an active member of society of Astronomy in Pune.
- Studied finer aspects of Indian Classical and Western music, which he believes has changed his life in many ways.
- Railway engineering and miniature modelling.
- Mountaineering (Completed Basic and Advanced courses)
- Gliding (Completed flying lessons and acquired the Student's Pilot's License)
- Tennis

Professional qualifications

Qualification	Date Passed	University	Attempt
M.B.B.S	9 th June 1973	University of Poona, India	1 st
M.S. (General Surgery)	16 th October 1977	University of Poona, India	1 st
F.R.C.S.	28 th June 1982	The Royal College of Surgeons in Dublin, Ireland,	1 st
Diploma In Urology	4 th July 1985	University of London, London, UK	1 st

Memberships of learned societies

- Life and Full member of the Urological Society of India (USI) *
- Life and Full member of the West Zone Chapter of the Urological Society of India
- Life and Full member of the Association of Surgeons of India
- Life and Full member of the IMA, Pune Branch
- Life and Full member of the Urology Society, Pune (USP)

- Life and Full member of the Societe Internationale d’Urologie (SIU)
- Associate Member of American Urology Association (AUA)
- Life and Full member of the International Continence Society
- Life and Full member of Pune Surgical Society
- Full member of the Model Railway Society, Pune (MRSP)

* Past President of the West Zone Chapter of the Urological Society of India for the year 2003-2004

Other organisational activities

- Organising Secretary of the 26th Annual Conference of the Urological Society of India (USICON’ 92) held at Pune on 19th to 21st of December 1992.

- Served as President of the WZ USI in the year 2003- 2004.
- Worked as a member of the Governing Council of Urological Society of India (USI) from the year 1994 to 1997.
- Organised “Seminar on Applied Urodynamics” in the capacity of Chairman in Pune on 20th May 2001.
- Organised Seminars and Conferences on “Female and Functional Urology” at the National level in the years 2005, 2010, 2016 and 2019.
- Organised and participated in about 50 Seminars, Symposia and Panel Discussions at city, state and National levels on topics of Urology.
- Delivered around 200 Lectures and talks to other groups and Societies on the topics of general Urological interests.

Scientific publications

1. “Stamey Endoscopic Bladder Neck Suspension” : Co-author of a chapter in the book “Controversies and Innovations in Urological Surgery” published by Springer-Verlag, Berlin Germany 1988
2. Medical Management of Stone Disease. : Wrote a chapter in the periodical “Health and Nutrition in the year 1989.
3. Uretero-calicostomy – A Salvage Procedure: Bhate Sameer, Yande Shirish. Surgery Vol. 3, No.9, 45-47 June 1998.
4. “Bladder Outlet Obstruction in Women” Yande Shirish, Joshi Maya.
5. Journal of Mid-Life Health 2011; 2:11-17.
6. “Surgery for Peyronie’s Disease :A Review of 200 cases” Bailey MS, Yande S, Walmsley B, Prior JP. Br J. Urol. 1985 Dec; 57(6):746-9.
7. “Role of Urodynamics in Female Lower Urinary Tract Dysfunction” Author of the Chapter published in the book “ Cutting Edge in Obstetrics and Gynecology” published by ELA Foundation in 2015.
8. “Role of Urodynamics in Stress Urinary Incontinence : A Critical Appraisal” Yande Shirish, Joglekar Omkar, Joshi Maya. Journal of Mid-Life Health July –Sep 2016; Vol. 3: 119 – 125.

9. "The Urological Society of India Survey on Urinary Incontinence Practice patterns among Urologists" : Sanjay Sinha, Shirish Yande et al Original Article published in the "Indian Journal of Urology" Volume 34 Issue 3 July- September 202-211.
10. "Neurogenic Bowel, Fertility, and Sexuality in the Spinal Cord Injury Patients" (Compiled a Chapter in International consultation on Urological Diseases (Societe Internationale d' Urologie) Contributors: John T. Stoffel, MD (University of Michigan, USA) – Chair Stacey Elliott, MD (University of BC, Canada) – Vice Chair Frank Van der Aa, MD/PhD (University of Leuvan, Belgium) Shirish Yande, MBBS, FRCS (Ruby Hall Clinic, India) Daniela Wittmann, PhD, LMSW (University of Michigan, USA).
11. "Urological Society of India Guidelines for the Evaluation and Management of Nonneurogenic Urinary Incontinence in Adults" Participated in compiling Guidelines for the Urological Society of India, July 2019: Sanjay Sinha, Shirish Yande et al.
12. "Garlad Ileal Reconstruction of the Urinary Tract for bilateral severe obstructive Uropathy": S.T.Bhondve, S.Yande, T.Singh, K.Patel, A Gupta, A Jha.
13. Case Report published in IP Journal of Urology, Nephrology and Hepatic Science, July-September, 2021;4(3):91-94.

Articles accepted for publication

1. "Fertility and Sexuality in the Spinal Cord Injury Patient" in World Journal of Urology on 16 march 2018.
2. "Urodynamic Evaluation of Chronic Urinary Retention with special reference to Detrusor Underactivity and Compliance" submitted for publication in the Urology Journal, Iran.

Research papers

This is a list of papers published and presented at various conferences.

1. Critical appraisal of clinical picture in prediction of Detrusor Overactivity in women presenting with OAB. Podium Paper presentation in West Zone USICON (Akola). 3-5 Sept 2004. Dr. Vitthal Krishna, Dr. S. Yande.
2. Creditability of Abdominal Leak Point Pressure in evaluation of Stress Urinary Incontinence. Prize podium paper presented in West Zone USICON (Gwalior) 28-30 Oct 2005. Dr. Deepak Mane, Dr. Shirish Yande
3. Evaluation of non invasive methods of diagnosing Bladder outflow obstruction with urodynamically proven BOO. Podium Paper in the Annual Paper.National section of Societe Internationale d'Urologie, Mumbai. Dr. Shirish Yande.
4. Urodynamic evaluation of patients presenting with Acute Urinary Retention: Is catheter clamping justified? Podium Paper. WZ USICON (Solapur) 14-16 Nov 2008. Dr. Bhoopat Singh Bhati, Dr. Shirish Yande.
5. Comparison of patients' morbidity with ureteric stent vs no stent in patients after ureteroscopic removal of stones. Podium Presentation on USICON 2007 (Patna) 7-10 Feb 2007. Dr. Vikram Sarada, Dr. Shirish Yande.
6. Comparison of 7F Bilumen and 4Fsingle lumen catheter in evaluation of Bladder outflow obstruction: Influence of the size of catheter. Podium Paper presented in National USICON Varanasi 2006. Dr. Abhijit Phadia, Dr. Shirish Yande.
7. Evaluation of noninvasive methods of diagnosing Bladder outflow obstruction with urodynamically proven BOO. Podium Paper presented in National USICON 2008 (Chennai) 16-20 Jan 2008. Dr. Vikram Sarada, Dr. Shirish Yande.

8. Urodynamic Evaluation of influence of BOO and detrusor underactivity on patients presenting with chronic retention of urine. Podium presentation in USICON 2008 Indore Bhupat Bhati, Shirish Yande.
 9. Urodynamic parameters in children with Spina Bifida: A Systematic Review. Podium Presentation in USICON 2002, Jaipur Dr. Vitthal Krishna, Dr. Shirish Yande.
 10. Use of Single Lumen and Bilumen catheters in conduction pressure flow study in diagnosis of Bladder outflow obstruction. Moderated Poster presented in Societe International d'Urologie Meeting Cape Town South Africa , November 2006.
 11. Evaluating the validity of Abdominal Leak Point Pressure measurement in women with Stress Urinary Incontinence. Unmoderated Poster presented in Societe International d'Urologie Meeting Cape Town South Africa , November 2006.
 12. Inferior calicoureterostomy, a useful salvage procedure. Video presentation in Societe International d'Urologie Meeting, Montrael, Canada September 1997.
 13. Review of Urodynamic behaviour of children post fulguration of post urethral valves. Paper. National USICON 2009 (Indore) 22-25 Jan 2009. Dr. Bhoopat Singh Bhati, Dr. S. Yande.
 14. Comparison of symptoms and urodynamic observations in patients with urge incontinence. Dr. Vitthal Krishna, Dr. S. Yande.
 15. Urodynamic evaluation of young men with voiding dysfunction. Podium Paper, Dr. Vikram Sarda, Dr. Shirish Yande.
 16. Urodynamic evaluation of young men with voiding dysfunction. Podium paper, Dr. Vikram Sarda, Dr. Shirish Yande.
