Permanent Registration No. M.M.C.: 2005/09/3420

Current Designation work:

I have been working in Ruby Hall Clinic, Sassoon Road as a Consultant Paediatrician & Neonatologist, In charge-NICU & PICU since July 2020.

Professional Experience:

I have completed my postgraduate training in Grant Medical College and Sir J.J.Group of hospitals, Mumbai while completing my MD in pediatrics. After completion of my MD in year 2012, I joined Government Medical College, Aurangabad as an Assistant Professor in the department of pediatrics. As an Assistant Professor, I have been supervising the work of pediatric and NICU/PICU residents and

actively involved in teaching and training activities of residents and nurses. Since January 2014, I have joined as Consultant Pediatrician at Varad Children's hospital, Aurangabad. I look after all children visiting in emergency and critically sick patients in NICU and PICU.

In September 2015, joined as Consultant Pediatrician at Asian Superspeciality hospital, Aurangabad. As a consultant my role was to see OPD in routine hours and look after critical children in NICU and PICU, communicate with referring pediatricians about patient's condition and counsel parents about their children in inpatient areas.

From February 2017 until June 2019, I worked as a Assistant Professor in the department of paediatrics at Pravara Institute of Medical Sciences, Rural Medical College, Loni, Ahmednagar.

In September 2019, joined Motherhood hospital, Pune as a junior consultant. Then in July 2020, got opportunity to join Ruby Hall Clinic, Sassoon Road as a Consultant Paediatrician & Neonatologist.

Professional Development:
